

DUE TO POPULAR DEMAND... RESIN IS BACK...

3 WORKSHOPS FOR THE PRICE OF TWO...

<p>Outline for Mould Making</p> 	<p>In this section, participants will work with a two part silicone (Pinkysil) to create 3 small moulds – a bowl, a spoon and a bangle.</p> <p>Participants will learn how to scaffold the item to ensure a useable mould is produced. They will then use these moulds as part of the next workshop.</p> <p>They will develop skills and knowledge to further extend their mould making, particularly in the areas of home wares and jewellery.</p>
<p>Outline for Serving Board, Bowl and Spoon</p> 	<p>In this section, participants will make:</p> <p>A small resin bowl; A small resin spoon;</p> <p>Coat a section of a timber board and Finish all to an acceptable standard.</p> <p><small>Bowl and board will be a slightly different shape to the one displayed</small></p>
<p>Outline for Serving Tray</p> 	<p>In this section, participants will:</p> <p>Learn how to seal a tray; and Mix, pour and manipulate resin in an enclosed space.</p>
