

SHOES & BAG! A STUNNING PAIR

Felt your own lace-up orthopaedic shoes for winter with Natalya

In this intense 3 day Master Class, Natalya, an International felt making tutor with an impressive teaching reputation, will teach her unique techniques for making a fabulous pair of felted shoes to fit your feet perfectly.

Comfortable & Beautiful

Matching BAG!

Students will also create a hand bag using Natalya's universal template

This template allows you to create 4 different bags. We will be creating one bag during the Master Class. However students will receive instructions how to create another 3 versions of bag using the same original template.
