

LEARN THE RAINBOW EFFECT

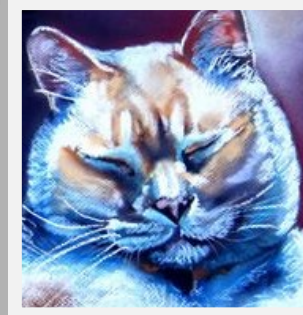

Award winning artist, Yvonne Chapman will teach her rainbow technique using watercolour and ink. If you wish to learn a new technique this is the workshop for you, or even if you are just starting to experiment in watercolour, you will love the fact that you will take a photo to the workshop and go home with a beautiful hand painted Rainbow Effect painting. The best way to learn is to do a portrait of your beloved animal, bird or wild animal.

Yvonne Chapman

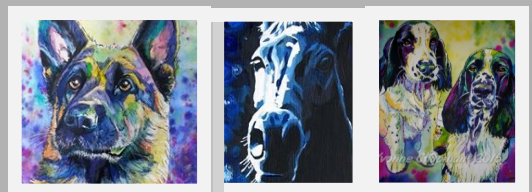

Yvonne has a BA (Hons) graphic Design & works in watercolours, acrylic & pastel and is an award winning textile artist.

Yvonne is an Australian Artist and Quilter from Harvey along with being a avid Greyhound lover against racing.
